AARAV MENON

Junior Python Developer

aarav.menon@example.test | +91-90000-10001 | Kochi, Kerala

PROFESSIONAL SUMMARY

Recent Computer Science graduate with hands-on academic and internship experience in Python development, REST APIs and relational databases. Interested in building reliable backend services.

EDUCATION

B.Tech, Computer Science and Engineering | Lakeside Institute of Technology | 2025 | CGPA 8.1/10

CORE SKILLS

Python, Django, FastAPI, REST APIs, SQL, PostgreSQL, Git, pytest, HTML, CSS

EXPERIENCE

• **Python Developer Intern | BlueOrbit Labs | Jan 2025 – Apr 2025**

• Built 4 REST endpoints using Django REST Framework for an internal inventory application.

• Wrote 18 unit tests with pytest and fixed defects found during code review.

• Used PostgreSQL queries to support filtering and pagination.

PROJECTS

• **Expense Tracker API:** Created a personal expense API with authentication, CRUD operations and monthly summaries using Python, FastAPI and SQLite.

• **Campus Event Portal:** Developed a small event registration site with HTML, CSS, JavaScript and a Python backend.

CERTIFICATIONS

Python Programming Fundamentals (fictional training certificate) | SQL Basics (fictional training certificate)

LANGUAGES

English, Malayalam
